

ADMINISTRATION

Wendy Friberg, Town Clerk
Elizabeth Olsen, Payroll, Human Resources
Sharon Chammings, Finance Director

New faces and plans for future changes have marked this year in the Town of Oxford. Many of you are getting to know Town Manager, Adam Garland, who has been with us for over a year. He has been a welcomed voice leading our Town forward. Kingston Brown took over the position of Code Enforcement Officer in June of 2021, and with all the growth and construction within the Town this year, he has been kept very busy. Deputy Clerk Teresa Grenier of Oxford joined the team and provides wonderful customer service while creatively managing our social media sites. Wendy Friberg has stepped into the Town Clerk role and Elizabeth Olsen has moved to Payroll and HR administrations. Together, our team shares a common goal to provide excellence while attending to our citizen's needs.

The computer systems were updated to a web-based structure which allows additional features found on the town website. These include online payments, downloadable forms, and accessibility to tax information. The Public Channel broadcasts the Selectmen and Planning Board Meetings and scrolls information and tips for our citizens. Facebook has become a useful tool to update our residents with special notices and posts featuring local events. Utilizing the town website at www.oxfordmaine.org, the Public Channel, and our Facebook page, we are working to keep the town up to date.

We are excited to see what the future holds for the Town Office while bemoaning the loss of the current one. Past students have come in to share entertaining stories of their youth, most mentioning the gym which seemed to have been *the* place to be. The building certainly carries valuable memories and has served the Town of Oxford well. The next Town Office is sure to meet the peoples' needs with an eye towards the functionality of growth.

Your kind words of encouragement, welcoming attitudes towards our new hires, and fresh ideas from newly filled committee appointments have made this "taxing" year a bit less stressful. Thank you!
