

PAWNBROKERS, PRECIOUS METAL
DEALERS, AND SECOND HAND DEALERS

Adopted

November 2, 1995

Amended

June 8, 2013

TOWN OF OXFORD
PAWNBROKERS, PRECIOUS METAL DEALERS, AND SECOND HAND DEALERS

If an investigation is ordered by the Select board at the time of license renewal, the applicant must pay the fee specified above, except the fee will be smaller of the stated dollar amount or the actual cost of the investigation. There will be no refund of the investigation fee after the investigation has begun.

The bond must also be conditioned on the licensee's obligation to account for and deliver articles to a legally entitled person or to pay the person or persons the reasonable value of the articles.

APPLICATION PROCEDURE

- 1- No license may be issued until the police department has conducted an investigation of the representations set forth in the application, the applicant's moral character, and the applicant's financial status. All applicants must cooperate with this investigation.
- 2- No license may be issued until the Select board has held a public hearing in accordance with the following:
 - a- A public hearing must be held prior to issuing a license. Notice of the hearing will be made in the same manner as that of an ordinance amendment; and
 - b- At the public hearing all people interested in the matter must be heard. No hearing is required for a renewal license, but the Select board may, at its option, hold a hearing.
- 3- The select board may issue a license before an investigation, notice and public hearing for an applicant who:
 - a- Had a license within the previous five years for the establishment that is specified in the application and that is continuing to operate under a license.
 - b- Wishes to resume operation of the business without sufficient time, through no fault of his or her own, to meet the normal procedural requirements;
 - c- Had no criminal license convictions, or license suspensions or revocations during the prior licensed period; and
 - d- Otherwise qualifies and meets the requirements for a license.

In this situation the Select board may immediately issue an interim license to the applicant for a period of no longer than 90 days. The applicant must thereafter proceed through the specified requirements for an investigation, notice, and public hearing. At the public hearing

the Select board will decide whether the license should continue in effect or be revoked. The interim license gives the applicant no greater right to continuation of the license that it would have had to issuance of a new license following normal procedure.

- 4- After investigation and hearing, the select board will grant or deny the application, considering the factors in this ordinance and the best interest of the public health, safety, and general welfare. The select board may impose conditions on a license to protect the public health, safety, and general welfare.
- 5- A license is a privilege, not a right. Even if a person meets the minimum requirements for a license, the Town is not obligated to grant the license. The select board has broad discretion to decide it, where, and how licensed businesses may operate. The select board may limit the number of licenses, when in its judgment; the welfare of the town suggests such action. The select board may develop criteria for evaluating a license application.
- 6- An application for a license may be considered by the select board at the same time an applicant is requesting land use approvals needed for the site, including site plan review, rezoning, or an amendment to the comprehensive guide plan. Final approval of a license will not be granted until the select board has given at least preliminary approval to any necessary land use request. If an application is granted for a location where a building is under construction or not ready for occupancy, the license will not be delivered to the licensee until a certificate of occupancy has been issued for the licensed premise.
- 7- In the case of the death of the licensee, the personal representative of a licensee may continue operation of the business for not more than 90 days after the licensee's death.

License Term, Renewal

Each license will expire one year from when it was issued. The application for the renewal of an existing license must be made at least 90 days before the date of the expiration of the license and must be made on the form which the town provides.

License Restrictions

- 1- Generally. Every license is subject to the conditions in the following paragraphs, all other provisions of this section, and of other applicable regulations, ordinances or state law.

Written authorization for release of property to persons other than the original pledger must be maintained along with the original transaction record"; and
- k- A blank signature line for the pledger's signature.

8- Monthly Reports to Police. At the end of each month, the licensee must submit the information for each reportable transaction that is required by section 4 above. The information must be in the form of a printed or written form acceptable to the Chief of Police.

9- Stolen or Lost Property. A licensee must report to the Oxford Police an item pledged or received, or sought to be pledged or received, if the licensee has reason to believe that the article was stolen or lost.

10-Police Order to Hold or Confiscate.

a. Investigative Hold. Whenever a law enforcement official from another agency notifies a licensee not to sell an item, the item must not be sold or removed from the premises. If the investigative hold is confirmed in writing by the originating agency within 72 hrs., it will remain in effect for 15 days from the date of initial notification, or until the investigative order is canceled, or until an order/ confiscate is issued by the Chief of Police or his designee.

b- Order to Hold. Whenever the chief of police or his designee notifies a licensee in writing or electronically not to sell an item, the item may not be sold or removed from the licensed premise until authorized by the chief of police or his designee. An order to hold will expire 90 days from the date it is issued, unless the chief of police or his designee determines the hold is still necessary and notifies the licensee in writing to continue the hold.

c- Order to Confiscate. If an item is identified as stolen or evidence in a criminal case, the chief of police or his designee may:

(1) physically confiscate and remove the item from the premises, pursuant to a written order from the chief of police or his designee, or

(2) place the item on hold indefinitely, in which case the item may not be sold, refurbished, or removed from the premises without the written order of the chief of police or his designee.

When an item is confiscated the person doing so must provide identification upon request of the licensee, and must provide the licensee the name and phone number of the confiscating agency and investigator, and the case number related to the confiscation.

d- Termination of Order. When an order to hold/ confiscate is no longer necessary, the chief of police or his designee must terminate the order and notify the licensee.

11- Redemption; Non-Redemption; Risk of Loss.

a- A person pledging, pawning, or depositing an item for security must have a minimum of 60 days from the date of that transaction to redeem the item before it may be forfeited, refurbished, and sold, or in the case of precious metal, melted down or dismantled. During the

60 day redemption period any extensions of the pawn transaction, items may not be removed from the premises or sold, except as provided in this section. A person may redeem a pawned item 72 hrs. after the item was received by the pawnbroker or precious metal dealer, excluding Sundays and legal holidays. Licensees must redeem an item only to the original pledger, to a person identified in a written and notarized authorization to redeem the property signed by the pledger, or to a person identified in writing by the pledger at the time of the initial transaction. Written authorization for release of property to persons other than the original pledger must be maintained along with the original transaction record in accordance with this section. b- An item sold to a licensee may not be sold or otherwise removed from the premises for 30 days after the date of the sale, unless otherwise permitted by this section.

(1) In the case of purchased gold or other precious metal it must be held for 7 days. The licensee will provide documentation of purchase to the Oxford Police Department daily. The Chief of Police or his designee will review each slip and will either agree to the sale or request a hold. This sign off or request will be in writing on a form from the Chief of Police.

c- A pledger has no obligation to redeem pledged goods or make payment on a pawn transaction. Pledged goods not redeemed within 60 days of the date of the pawn transaction, renewal, or extension will automatically be forfeited to the pawnbroker, and qualified title to the goods will automatically vest in the pawnbroker.

d- While the pledged goods remain in possession of the pawnbroker and not sold to a third party, the pawnbroker's title to the pledged goods is qualified only by the pledger's right to redeem the goods by paying the loan plus fees and interest accrued to the date of redemption. If the goods are lost or damaged while in the possession of the pawnbroker, the pawnbroker must compensate the pledger, in cash or replacement goods acceptable to the pledger, for the fair market value of the lost or damaged goods. Proof of compensation is a defense to a prosecution or civil action.

12- Inspection of Items

a- Inspection by Town. The licensee must at all reasonable times during the term of the license, allow the police department to enter the business premises and other premises where items purchased or received as part of the business are stored. The purpose of the visit will be to inspect the premises and the merchandise to locate items suspected of being stolen or otherwise improperly disposed of, and to verify compliance with this section.

b- Inspection by Claimants. Additionally, the items coming into possession of the licensee must at all reasonable times be open to inspection of a person claiming to have been the owner of an item or to have an interest in it, if the person is accompanied by a police officer.

- 13- Label Required. Licensees must attach a label to every item at the time it is pawned, purchase, or received into inventory from a reportable transaction. Permanently recorded on the label must be the number or name that identifies the transaction in the licensee's records, the transaction date, the name of the item and the description or the model and serial number of the item as reported to the police department, whichever is applicable, and the date the item can be sold, if applicable. Labels may not be reused.
- 14- Gambling. A licensee must not keep, operate, or permit the keeping or operation on the licensed premises of dice, slot machines, roulette wheel, punchboards, blackjack tables, or pinball machines that return coins or slugs, chips, or tokens of any kind, that are redeemable in merchandise or cash. A licensee must not keep or operate, and must not conduct raffles on the licensed premises and/or adjoining rooms. The purchase of lottery tickets must take place on the licensed premises as authorized by the director of the Maine Lottery Commission.
- 15- Storage Items. Items must be stored within the licensed premises building, except the town may permit the licensee to designate one locked and secured warehouse building within the town where the licensee may store items. No items may be stored in the designated warehouse building that is not reported under subsection 4 above. The licensee must permit immediate inspection of the warehouse at any time during business hours by the town and failure to do so is a violation of this ordinance. Items may not be stored in parking lots or other outside area. All provisions in this section regarding recordkeeping and reporting apply to items stored in the approved off-site facility.
- 16- Transfer Items. Items accepted by a licensee at a licensed location in the town must be for pledge or sale through a licensed location in town. No licensee under this section may sell an item that is transferred from a nonlicensed facility or a licensed facility outside the town.
- 17- Restriction on Weapons. A licensee may not receive as a pledge, or accept for consignment or sale, any firearm as defined in this code, unless the licensee maintains a federal firearms dealer's license.
- 18- Change In Required Information. Each licensee has the continuing duty to properly notify the Chief of Police or his designee of any change in the information or facts required to be furnished on the application for a license. This duty will continue throughout the period of the license.
- 19- Change In Managers. For each new manager or assistant manager employed after the license is issued, a licensee must make the offer of employment contingent upon the town's approval. Each licensee must notify the Chief of Police or his designee within 10 days after any new manager or assistant manager begins employment. This notification must include the information required in this ordinance. Failure to provide complete and timely information will subject the licensee to the penalties provided in this ordinance and to potential denial of a renewed license. The Chief of Police or his designee may cause an investigation on the new manager or assistant manager and may disapprove the employment of these personnel by

notice to the licensee in writing. The licensee may appeal this decision to the select board placing a request in writing to the Town Clerk within ten days after the issuance of the notice. A failure to request an appeal waves the licensee's ability to contest the Chief of Police's decision. After the appeal period has expired without appeal, or the select board has upheld the Chief of Police's decision upon appeal, no manager who has been disapproved may operate in that capacity upon the licensed premises.

20- Licensed Premises, Change of Ownership. Each license is issued only to the applicant and for the specific location on the premises that is described in the application and that is approved by the select board. No business may be conducted outside the licensed premises, except as otherwise provided in this ordinance. No license may be transferred to another person or place without application to the select board in the same manner as an application for a new license. Transfer of 25 percent or more of the stock of a corporation or a controlling interest thereof, whichever is less, is deemed a transfer of the license of a corporate licensee, except for a corporation whose stock is publicly traded on a stock exchange. A new license must be obtained before the transfer takes place. Each day a licensee operates after a transfer has taken place without complying with this ordinance is a separate violation subject to penalties.

21- Permitted Charges. A licensee may charge only interest rated and fees allowed by Maine Statute 30-A sec. 36933 and must post a schedule of charges on the licensed premises in a place clearly visible to the general public.

22- Pawning of Motor Vehicle Titles.
